The Committee is in receipt of a Request for Additional Information dated December 17, 2014, indicating that the Committee may have satisfied the criteria for Multicandidate Status.

The Committee has not yet met the certification requirements for multicandidate status. While it has been registered for at least 6 months and has made contributions to at least five federal candidates, it has not received contributions from at least 51 persons. Because many contributors give through payroll deduction, the Committee has received more than 51 contributions, they have come from fewer than 51 contributors.
