Re: note to 80-20 PAC (ID: C00346015) of February 11, 2005

Dear Ms. Sagri,

Attached is an amended Post-General report in response to your note from February 11, 2005. We had mistakenly listed our independent and uncoordinated ads supporting Kerry as operating expenses rather than as independent expenditures, which is why you may have thought they were in-kind contributions for the Kerry campaign. We have since corrected those errors in the post-general report, and are in the process of correcting them in the year-end report.

Two disbursements, for "Arden Media Resources," were for production costs of the ads. Hence, they were listed properly as ordinary disbursements, but not clearly marked as production for independent and uncoordinated ads. We have clarified the descriptions for them, to clearly denote that they were not in-kind contributions for the Kerry campaign.

Since we had accidentally filed these expenditures as operating expenses before, we had not filed 24-hour notices for them at the time. As per your conversation with our staff, we are also filing 24-hour notices for the independent expenditures in this report.

Thank you for your understanding.

Treasurer, 80-20 PAC (Committee ID: C00346015)
