Mr. Matthew J. Petusky
Report Analyst
Federal Election Commission
Washington, DC 20463

Dear Mr. Petusky:

As we discussed on the phone earlier this week, we are having to go back to the first quarter of 1998 to rectify our FEC reports. Our accounting manager has been preparing for our Spring Board meeting which is being held the last week of May and has been pretty covered up and not able to devote his full attention to the reports.

We are trying to get these reports as accurate as possible and it is not our intention to refuse to comply with the filing standards.

As soon as our accounting manager gets back in town he has assured me that will be his first priority to get the reports finalized.

Thank you for your patience and understanding as we try to sort out the mistakes on the previously filed reports.

Sincerely,

Debra Holderfield
Administrative Assistant
