Response Due Date
05/20/2015

IDENTIFICATION NUMBER: C00008227

REFERENCE: JUNE MONTHLY REPORT (05/01/2014 - 05/31/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following **11** item(s):

1. Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. Please be advised that 52 U.S.C. §30116(f) (formerly 2 U.S.C. §441a(f)) and 11 CFR §110.1(c) prohibit a state, district or local party committee (combined) from receiving any contribution from a person or non-multicandidate political committee in excess of \$10,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal

elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

2. On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have not included the mailing address for the payments made to "Wells Fargo" and "City of Tempe." Please amend your report accordingly. (11 CFR § 104.10(b)(4) and 104.17(b)(3))

3. Schedule H4 discloses payments made to credit card companies for shared federal and non-federal activity. Please be advised that these payments must identify as memo entries, the original vendors from which you have purchased an item or service regardless of the amount. Please amend your report by providing the name and mailing address of the original vendor, along with the date, amount and purpose of each expenditure and clearly identify on the Schedule H4, which credit card payment each memo entry relates to. (11 CFR §§104.10 and 104.17)

4. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "VIP Photography" and "Printing & production." Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and

non-federal accounts. Only federal funds may be used.

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s). However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

If this activity was categorized incorrectly, the Commission recommends that you immediately transfer the funds received by your federal account for this activity back to the non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

5. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Bookkeeping services," "Employee benefits," "Payroll," "Payroll taxes". Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

6. Schedule H4 of your report discloses \$1,958.32 in payments for "Voter registration consulting" to individuals. Please clarify whether these individuals are employees of your committee. If they are employees, please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on Federal Election Activity (FEA) or activities in connection with a Federal election. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on FEA or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used.

Any reimbursement from your committee's non-federal or Levin account for salary and wage payments for employees who spent more than 25% of their compensated time in a given month on FEA is not permissible and must be returned. Please provide clarification regarding these payments.

7. Schedule H4 of your report discloses a payment(s) for "Voter registration," "Voter registration consulting," and "Voter registration files." 11 CFR §100.24(b) defines as Federal Election Activity, voter registration activity during the period beginning on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held, and ending on the date of the election. Furthermore, the costs for this type of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. (11 CFR §§300.32 and 300.33)

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

8. Please clarify all expenditures made for "Fundraising retainer fee" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedule B supporting Line 23 and include the amount, name, address and office sought by each candidate. (11 CFR §§104.3(b) and 106.1)

ARIZONA REPUBLICAN PARTY

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

9. Line 7, Column B of the Schedule L Aggregation Page for the "AZ FEDERAL" account represents the total cash on hand as of January 1, 2014. This figure should be the same on all the reports covering the calendar year. Please amend your report to clarify the change made in Line 7, Column B. (52 U.S.C. §30104(b) and (e) (formerly 2 U.S.C. §434(b) and (e)))

10. On the Schedule L Aggregation Page for the "AZ FEDERAL" account, the beginning cash balance, Line 7, Column A, should equal the ending balance, Line 11, Column A, of your previous report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction. (52 U.S.C. §30104(b) and (e) (formerly 2 U.S.C. §434(b) and (e)))

11. Schedule L discloses "AZ Federal" as the name of account. Please note that 11 CFR §300.33(d) permits a committee to pay the entire amount of an allocable expense from its federal account and transfer from its non-federal or Levin account to its federal account solely to cover the Levin share of that allocable expense. As the "AZ Federal" account is not a non-federal or Levin account of your committee, such a transfer(s) is prohibited.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have received a prohibited transfer(s), you must transfer-out the impermissible funds to an account not used to influence federal elections or refund the full amount to the donor.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited transfers, prompt action by your committee to

ARIZONA REPUBLICAN PARTY

transfer-out or refund the amount will be taken into consideration.

- Your report discloses certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. For your information and consideration when preparing future filings, contributions received from candidates should be properly disclosed on a separate Schedule A, supporting Line 11(c) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing. (52 U.S.C. §30104(b) (formerly 2 U.S.C §434(b)) and FORM 3X Instructions)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
