Reference: Amended July Monthly Report (6/01/06 – 6/30/06), received 8/18/06

Dear Mr. Parker:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

To the extent that your committee has received prohibited funds, you may have to make a refund. If within 30 days of receipt you (1) transferred the

prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. See 11 CFR §103.3(b)(1).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Your Amended May Monthly Report (4/01/06 – 4/30/06), received 8/18/06, Amended June Monthly Report (5/01/06 – 5/31/06), received 11/13/06, and Amended July Monthly Report (6/01/06 – 6/30/06), received 8/18/06 combined, disclose memo Schedule A's totaling \$179.05 for "ASDC Partnership Program," which appears to be your committee's share of the gross contributions received from a joint fundraising committee. However, there are no corresponding transfers-in from the related joint fundraising committee disclosed on Schedule A supporting Line 12 of the Detailed Summary Page. Please amend your report(s) to clarify this apparent discrepancy.

-Your Amended May Monthly Report (4/01/06 – 4/30/06), received 8/18/06, Amended June Monthly Report (5/01/06 – 5/31/06), received 11/13/06, and Amended July Monthly Report (6/01/06 – 6/30/06), received 8/18/06 combined, disclose memo Schedule A's totaling \$75,706.35 for "FL Party Victory Fund," which appears to be your committee's share of the gross contributions received from a joint fundraising committee. However, there are no corresponding transfers-in from the related joint fundraising committee disclosed on Schedule A supporting Line 12 of the Detailed Summary Page. Please amend your report(s) to clarify this apparent discrepancy.

-On Schedule D of your previous report, you disclosed a debt(s) owed to "Capital Business Center." This obligation, however, has been omitted from this report. Please amend your report to include this debt on Schedule D and Line 10 of the Summary Page. All debts and obligations must be disclosed until extinguished. 11 CFR §104.11

-Your amended report fails to disclose disbursements previously itemized on your 2006 July Monthly Report, received 7/20/06. Please be advised that when amending an electronically filed document, you must submit a complete version of the report, rather than just those portions that are being amended. Please resubmit your report to include any omitted activity or provide clarifying information as to why this activity was omitted from this amended report. 11 CFR §104.18(f)

-Your amended report fails to disclose debts previously itemized on your 2006 July Monthly Report, received 7/20/06. Please be advised that when amending an electronically filed document, you must submit a complete version of the report, rather than just those portions that are being amended. Please resubmit your report to include any omitted activity or provide clarifying information as to why this activity was omitted from this amended report. 11 CFR §104.18(f)

-Schedule H4 discloses 100% non-federal activity. Please be advised that by definition, this activity does not qualify as an expense(s) that can be allocated between your federal and non-federal accounts. If the disbursements were for operating expenditures paid for with 100% federal funds, they should be itemized on Schedule B for Line 21(b) of the Detailed Summary Page. If these expenses were permissibly paid for with 100% non-federal funds, they should not be disclosed on Schedule H4. Further, any reimbursement from your committee's non-federal account for any portion of this activity is not permissible and must be returned. 11 CFR §102.5(a)(1)(i) Please amend your report to clarify this discrepancy.

-Schedule H4 of your report discloses \$17,786.94 in payments for "Consulting Fees/Compliance" and "Event Services/Fundraising" to individuals. Please clarify whether these individuals are employees of your committee. If they are employees, please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on Federal election activity (FEA) or activities in connection with a Federal election. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on FEA or activities in connection with a Federal election must not be allocated between or among

federal, non-federal and Levin accounts. Rather, only federal funds may be used.

Any reimbursement from your committee's non-federal or Levin account for salary and wage payments for employees who spent more than 25% of their compensated time in a given month on FEA is not permissible and must be returned. Please provide clarification regarding these payments.

-Schedule H4 of your report discloses payments for "Voter File Hosting." Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Voter identification, Generic Campaign and Get-out-the vote activities conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. Furthermore, the costs for these types of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

-On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule H4 of your

report to clarify the following description: "Research." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule H4 of your report discloses a payment to "Coletta & Company," which is categorized as an administrative expense; however, the purpose of disbursement disclosed is "Consulting Fees/Fundraising." Please be advised that payments made for your committee's fundraising activities must be allocated according to the funds received method and the ratio reflected on Schedule H2. Please amend your report to clarify the appropriate category for this activity or provide clarifying information regarding this apparent discrepancy.

-Please clarify all expenditures made for "Equipment Rental" and "Site Rental" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

-Schedule H4 of your report discloses a reimbursement(s) to an individual(s) for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3

-Schedule B supporting Line 21(b) of your report discloses a payment for "Voter List" which appears to be disclosed on the wrong line of the Detailed Summary Page. Please be advised that Voter Identification,

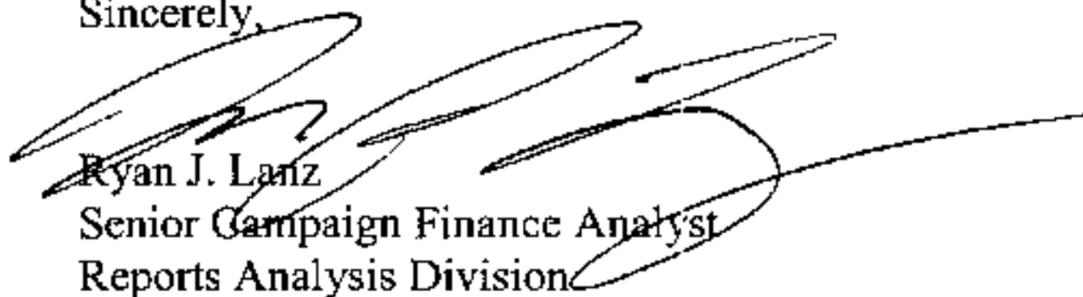

270309452621

Generic Campaign and Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot is considered to be Federal Election Activity. 11 CFR §100.24 Please amend your report to properly disclose this activity on Line 30(b) or provide clarification regarding this activity.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
