Dear Ms. Miller:

As Treasurer, and on behalf of the Westwood College, Inc. Fund for Educational Excellence, I would like to report that an internal audit was completed on the number of contributors to this PAC. The results of this audit indicate that at no time since the Statement of Organization was filed did the Westwood College, Inc. Fund for Educational Excellence satisfy the certification requirement of receiving contributions for federal elections from 51 persons. According to this audit and the criteria set forth at 11 CFR Section 100.5(e)(3), the Westwood College, Inc. Fund for Educational Excellence does not meet the certification requirements for multicandidate status.

Ms. Denise Cook  
Treasurer
