On 4/7/16 the committee received a RFAI in reference to the Year-End Report (12/01/2015-12/31/2015), below are the committee's responses.

1. The contributions received in December 2015 by the listed unregistered organizations were made with permissible funds.
2. Please note that the following contributions from the Democratic National Committee were transfers from the joint fundraising committee, WI Party Victory Fund. These transfers were reported incorrectly as contributions on Schedule A line 11(b) in the listed corresponding reports. The committee is intending to do a comprehensive review of all reports from 2015 through 2016 and will make the necessary amendments to properly report these transfers on Schedule A line 12 once the review is complete.

FEC 1029655 August 2015 Monthly Report Amended, pg. 50, Democratic National Committee, \$23,114.50, 7/29/15
 FEC 1042091 November 2015 Monthly Report Amended, pg. 72, Democratic National Committee, \$9,270.39, 10/12/16
 FEC 1051441 February 2016 Monthly Report, pg. 24, Democratic National Committee, \$13,725.64, 1/19/16

In addition the committee wishes to note that a transfer was received on 4/16/15 in the amount of \$16,655.87 which was incorrectly reported on FEC 1021783 May 2015 Monthly Report Amended pg.41, as a contribution from the Democratic National Committee Travel Offset Account. It should have been coded as a transfer from the Democratic National Committee. The report will be amended as part of the comprehensive review mentioned above.

3. The Amended November Monthly, Amended December Monthly, and the Year End 2015 report have been amended to properly reflect disbursements for federal election activity and disbursements for allocated federal/nonfederal activity. These amendments moved salary and health insurance expenses from line 21(b) to 30(b) and moved salary expenses from line 21(b) to line 21(a). The committee did not exceed the amended allowable non-federal limits.
