Dear Ryan:

Per your instructions, we have a contribution on Line 15 Schedule A from State Auto Insurance which is a refund check due to Hurricane Katrina for building damages. Also, per your instruction, we have an expenditure on Schedule H 4 to our non-federal account Miss Rep Party - State for 79% of the total receipt to correct any problem due to federal/non-federal allocations of building expenses. We have reported this expenditure 100% federal on schedule H 4.
