Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

Form/Schedule: **SB29**

Transaction ID:

The report is being amended to adjust the Line 29 total for the period. The report no longer includes a voided check reported in a prior report (Transaction ID B204952). The total disbursement figures disclosed on Line 29 along with the supporting Schedule B now reflect the correct totals. Other than the corresponding adjustments to other appropriate figures on the Summary and Detailed Summary Pages, there are no other changes to the report. Please update your records accordingly.
