This is in response to a letter dated August 10, 2016 requesting additional information on the amended April quarterly report filed on July 15, 2016. As we provided in the report and was noted in the letter, we amended the report to show a number of credit card donations that came in on the last days of the quarter that were inadvertently left off of the original report. We provided the amendment when the issue was found. We have completely reviewed our system and now received regular and timely updates from all active revenue streams in an effort to prevent this from occurring in the future.
