Dear Mr. Walsh:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

*Corrected  
copy  
enclosed*

-The totals listed on Lines 21(a)(i), 21(a)(ii) and 21(b), Column B of the Detailed Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your report contains information disclosed on Schedules H1, H2, and H4. These schedules are used by committees which have separate federal and non-federal accounts to disclose the allocation of funds for expenditures between the two types of accounts. Your reports do not show payments from a non-federal account on a Schedule H3, as would be customary for committees who allocate between accounts. If your committee does not maintain a non-federal account, all disbursements should be disclosed on a Schedule B and no allocation schedules filed. Please clarify the procedures you are currently using to allocate shared expenses if any, and report future disbursements appropriately.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days

*We have separate accounts for  
state and federal*
