Dear Mr. Anderson:

On September 2, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your September 16, 1998, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You state that the committee's administrative expenses are "minimal and not easily identifiable," it has a bank account but no office or employees and the "accounting and administrative work . . . is done by Moss Adams LLP employees as needed . . .". Please note that it is the treasurer's responsibility, in accordance with 2 U.S.C. 432 (c) and 11 CFR 102.9, to account for all contributions received and all disbursements made by or on behalf of your committee. This includes any in-kind contributions made by Moss Adams LLP employees or the partnership itself for administrative expenses. Please amend your report to (a) clarify if the work done by the Moss Adams LLP employees constitutes in-kind contributions or volunteer activity and (b) properly itemize all administrative expenses if any such payments to a person aggregated in excess of \$200 in a calendar year.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Scott Francis on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in cursive script, appearing to read "John D. Gibson".
