BY ELECTRONIC SUBMISSION

Identification Number: C00500256

Reference: Mid-year Report (01/01/2013 - 06/30/2013)

Dear Ms. Benitz:

This submission is in response to the Commission's review of the above referenced report.

The contribution disclosed from "MFA PAC" FEC Identification Number C00306894 was disclosed on that political committee's Year-end disclosure report (please see page 11 of 11.)

This Committee's staff has reviewed the contributions deposited during the first week in January 2013, and determined that all of these checks were distributed by the contributing political committees in 2012. Accordingly, the Committee is filing an amendment to the 2012 Year-end report to disclose the contributions during the time frame each contribution was issued, and the 2013 Mid-year report is amended to remove the contributions added to the Year-end report. The contributions as reported on the amended report are consistent with and conform to the disclosure and intent of the contributing committees.

Please contact me if you require further information.

Sincerely,

Randall Broz
Treasurer
