RE: C00523167

Ms. Hannan:

In a large stack of papers I have come across some things that should have been taken care of quite some time ago for this campaign. I am attempting to tie all the loose ends and get this shut down.

I see that there were problems when Rick Murphy (Treasurer) attempted to close down the campaign. Now I am tasked with fixing this so here we go:

We certify that we cannot receive any contributions or make any disbursements.

All debts have been settled. Loans by Rick L Murphy (Candidate) have been forgiven.

The residual funds shown do not exist. I have a feeling we are going to be asked to go back and figure out how this happened, but this entire account was liquidated. Do we need to go back and reconstruct with bank statements?

I now see that we were supposed to keep filing. Do I need to get back into the system and file the past reports? If so where can I find the instructions to do so?

Sincerely,

A handwritten signature in black ink, appearing to be "C. Rolando", written over a horizontal line.
