Reference: Mid Year Report (1/01/09 – 6/30/09)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. Schedule A of your report discloses one or more contributions totaling \$5,000 from Hart Health Strategies, with a corresponding memo entry for Vicki E. Hart, which may have been drawn on a corporate account(s).
- 2 U.S.C. §441b(a) prohibits the receipt of contributions from corporations unless made from separate segregated funds established by the corporations.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If you have received a prohibited contribution(s), you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. See 11 CFR §103.3(b)(1).

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action on your part to transfer-out or refund any such prohibited contributions will be taken into consideration.

2. Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §§110.1(d) and 110.2(d) prohibit a committee and its affiliates from receiving any contribution from another political committee or person in excess of \$5,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

The Commission notes the attached memo text which states, "Refund drafted in July 2009-Will be reflected on year-end report." Please provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

3. Line 29 of the Detailed Summary Page of your report discloses a total of \$18,413.50 in Other Disbursements. The sum of the entries itemized on Schedule B, however, indicates the total to be \$22,125.00. Please amend your report to clarify the discrepancy.

4. Your report discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Any such payments to a person aggregating in excess of \$200 in a calendar year must be disclosed on Schedule(s) B supporting Line 21(b) of the Detailed Summary Page. 2 U.S.C. §434(b)(5) If these expenses are being paid by a connected organization, your Statement of Organization must be amended to reflect this relationship. 2 U.S.C. §433(b)(2) In addition, if expenses have been incurred but not paid in a reporting period, the activity should be disclosed as a debt on Schedule D, if the obligation is \$500 or more, or outstanding for sixty days or more. 11 CFR §104.11

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b. Payments to a consulting, law or accounting firm will be considered acceptable for salary. Clarification regarding administrative expenses should be disclosed during each two-year election cycle beginning with the first report filed in the non-election year. Please verify that all expenses referenced above (i.e., rent, salaries, utilities, etc.) have been adequately disclosed. If volunteers have provided these services, please confirm this in writing.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1162.
