BEST EFFORTS PRACTICES - C00667865 1. Initial solicitation for a contribution is made via phone call and solicitor additionally states during the solicitation call that as a part of compliance, the PAC is required to inform the contributor that "Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year". Following acceptance to provide a contribution, a follow-up invoice letter is mailed to the contributor which includes a clear and conspicuous request for contributor's employer and occupation information to be written in and returned when they mail back their contribution. 2. Secondly, if employer/occupation information was still not provided within the above steps, a follow up letter is sent via US mail along with a separate pre-addressed return envelope sent to the contributor, again clearly requesting the name of employer and occupation, without solicitation of a contribution to send back. 3. Lastly, the third/final step if employer/occupation information was still not provided, a follow up phone call is placed to the contributor within 30 days of receipt of the contribution during which the missing information is clearly requested (without solicitation of a contribution) as an FEC compliance requirement. If all of these steps have been exhausted and the employer and occupation information still has not been obtained from the donor, 'best efforts' will be entered into these fields to communicate to the FEC that all above steps were taken. If we are able to obtain missing employer/occupation information, we will amend our report to include the updated information.

During the assembly of this POST-General report, it came to our attention that there was a PayPal account that was carrying a balance and donor information from 2020, that was previously not reported. Due to the pending deadline, we submitted our POST-General report as it stood, including the PayPal information for the POST GENERAL time period. We are now going back and amending the Q1, Q2, Q3, and Post-General report, to correct this mistake. (We will use this opportunity to correct any "balance adjustments" that occurred during that timeframe, and correct the YTD issue that formed on Line 17 because of them. We will also check for donors who have updated their employer/occupations and update those while we are at it.) To avoid this mistake in the future, the PayPal account login has been provided to our FEC Compliance/filing service, PACSmart Filing Service, so they can properly report these donations and balances moving forward.
