

This Form 99 is submitted to clarify the choice of 'Election' under the various Receipts, Disbursements and Loans in the filings made to date.

Current, there are two options choices under the election type which relate to special electionst:

- 1) Special - Primary
- 2) Special - General

Whereas the State of California's Special Election in District 36 uses the nomenclature 'General' and 'Runoff' and no 'Special-Runoff' options is available, for reporting purposes until the runoff is held, the filings call out 'Special-Primary' as the Election type.
