RE: Amended 30-Day Post-General Report (10/18/2012-11/26/2012)

Dear Ms. Lewis:

This letter is in response to the Commission's request for additional information related to: (1) unitemized contributions on Line 11(a)(ii) on the Detailed Summary Page and (2) memo entries that were disclosed as independent expenditures Schedule E, Line 24 but were not included as debt on Schedule D on the above referenced report filed by the Service Employees International Union PEA-Federal committee.

Specifically, as to the first matter, the Commission has inquired about \$2,601,351.00 disclosed as unitemized receipts from individuals/persons other than political committees during the reporting period. As an independent expenditure only committee, Service Employees International Union PEA-Federal is permitted to fund its activity using membership dues. The \$2,601,351.00 in receipts represents the dues received from many members of Service Employees International Union that do not individually reach the \$200 itemization threshold required for disclosure of individual contributions.

With regard to the the second matter, the Commission has noted that the committee disclosed independent expenditures as memo entries on Schedule E, Line 24, but, these expenditures were omitted from the debt schedule on Schedule D. This was an inadvertent error and the committee has amended the post-general report to include these independent expenditures on the debt schedule.

If you have any further questions regarding this mater, please feel free to contact me at 202-350-6571.

Very truly yours,

Mark Schneider
Counsel for Service Employees International Union PEA-Federal
