In response to the Request for Additional Information dated October 3, 2016, the issue with the reporting of the cash on hand has been corrected with this amended filing. The contributions from individuals with mailing addresses outside of the United States have been verified as federally permissible funds. Our committee received written confirmation from the donors identifying themselves as US citizens as well as photocopies of their valid US Passports, which we have retained on file for our records. We have updated the contribution records for both donors in this amended filing to add notations signifying their permissibility.
