

Re: Year End Report (11/25/08-12/31/08)

Campaign for Working Families ID: C00325076

Dear Mr. Bennett

The Commission's letter to Campaign for Working Families PAC ("CWF") dated April 29, 2009 regarding possible excess contributions was received and the questionable contribution was reviewed.

Regarding the excess contribution in question, the committee will amend its Year-End report with a memo entry noting that the funds were transferred to a non-federal account. The donor was notified, in writing, that he either had the option of receiving a refund or having the excess funds transferred to a non-federal account. The donor chose to have the excess funds transferred to a non-federal account. A copy of the check transferring the funds out of the federal account will be forwarded directly to the Commission via courier tomorrow, June 2, 2009. The actual activity will be reported in the next scheduled report, Mid-Year (1/1/09-6/30/09) to be filed by 7/31/09.

Please do not hesitate to contact us with any questions or concerns.
