John D. Gibson, Assistant Staff Director  
Reports Analysis Division  
Federal Election Commission  
Washington, D.C. 20463

Dear Mr. Gibson:

I wish to offer my sincere apology for neglecting to file the April Quarterly Report with the FEC. The only explanation I can offer is the fact that we did not receive the usual information package of forms which are required to be filed for the reporting period. We have always filed on time in the past and have received the information in a timely manner.

The negligence on our part in no way represents disrespect for the filing process nor does it imply an open attempt at shirking the duties of a political committee. Again, I apologize for the oversight and hope that upon the receipt of the report, this matter will be resolved.

If you have further questions or require additional information, please feel free to contact me at 217/529-2265. Thank you.

Sincerely,

*Robert J. Wiegert*
