RE: Local Voices (C00531624)
October quarterly report 7/1/2016 to 9/30/2016

Dear Ms. Juris:

I write in response to your Request for Additional Information dated March 19, 2017.

Your letter raises two issues, the first being the filing of 48-hour notices for independent expenditures supporting Hillary Clinton which did not appear on the Committee's subsequent Schedule E. The second issue raised was that of Schedule E expenditures made on the October quarterly report which were not 48-hour reported.

The duel concerns raised in your letter are actually two sides of the same coin. Per the instructions to the Form 3, Schedule E: When the cost of an independent expenditure is not known at the time of dissemination, estimate the cost on the 24/48-Hour Report, and indicate via memo text that the amount is an estimate. The 48-hour reported amounts were clearly indicated as being estimated amounts. At the time of the filing of the 48-hour notice the exact amounts of the independent expenditure were not known. The subsequent filing of the October quarterly report shows the actual amounts as invoiced by the vendor. The Committee in good faith reported what was known at the time of the filing of the 48-hour notice. The subsequent actual expenditures did not match our estimated amount.

It is hoped that the above is responsive to your concerns. Should you have additional questions on this, or any other matter, please do not hesitate to contact me.

Sincerely,

Houston King
Treasurer
