Our PAC has a number of expenses for member meeting and events. These events and meetings are to recruit members to our PAC, for board meetings for organizing PAC events and operations, and for member education. The committee events are not for raising money for specific candidates and are for generic member operations. Payments to Michael Davidson are for general consulting services he provides for PAC operations and administration including member recruitment. This ammendment is to include an additional memo entry of \$130 for Michael Davidson. I have totaled all disbursements to credit card vendors and Michael Davidson that required memos and get \$36921.99 and there are \$36921.99 in memos. We did not make public communications identifying candidates. Printing, notecards and photographs were for member contact and member events.
