The Oregon Republican Party is in receipt of your Request for Additional Information dated October 18, 2012, concerning our June Monthly FEC report.

Item 1

The party has amended the June filing to show that the refund from U.S. Postmaster-Lake Oswego is allocated between the federal and non-federal accounts. It has also transferred the funds from the federal to the non-federal bank account to account for this allocation today and will note it on their next FEC filing report.

Item 2

The party has amended the June filing to show that the payments for List Rental-OR GOP and Party List Rental are now completely federal account funds. . It has also transferred the funds from the federal to the non-federal bank account to account for this allocation today and will note it on their next FEC filing report.

Item 3

The disbursements for Party Communication Services and Party Printing were not payments on behalf any specifically identified federal candidates. The Phone Calls-ORGOP were not for a specific Federal office or that promoted, supported, attacked or opposed any candidate for Federal office. Thus, these administrative expenditures were not required to be reported on Schedules B, E, or F for lines 23, 24, or 25, nor was a Schedule H2 necessary, and no amendment is required with respect to these disbursements.
