Dear Ms. Lewis:

I am writing in response to your letter dated June 2, 2006 regarding the May Monthly Report (4/1/06 - 4/30/06).

There were no expenditures made on behalf of Federal candidates, including those made for catering that you identified on Schedule B. All expenditures were incurred for the Committee's operations.

I hope this information adequately addresses your concerns. Thank you.

Sincerely,

\*\*\*\*\*
