Reference: Amended April Quarterly Report (1/01/06 - 3/31/06), filed on October 11, 2006

Dear Mr. Hartsock:

This letter is in response to your inquiry regarding our amended April Quarterly Report (1/01/06 - 3/31/06) in reference to failure to disclose receipts previously itemized on our July Quarterly Report, which you received on July 13, 2006. The original report filed on July 13, 2006 included payroll deductions withheld during the second half of 2005 and first quarter of 2006 totaling \$8,550.91 and \$15,606.79, respectively. Internal review of our filings revealed these errors and resulted in the amendments to our January 2006 Year-End Report, April 2006 Quarterly Report and July 2006 Quarterly Report, which we filed on October 11, 2006. In these amendments, the amounts referenced above were removed from our July Quarterly Report and included in our January 2006 Year-End Report and our April 2006 Quarterly Report, to properly report them in the period they were received. This change resulted in some participants, who previously met the itemization threshold in the original filing, falling below the threshold in the amendment.

Since discovering this error, we have implemented new controls to ensure payroll withholdings and other receipts are reported correctly.

Please feel free to contact me by mail or at (816)854-4250 if you have further questions.

Sincerely,

Erin Gill
Treasurer, BlockPAC
