Dear Mr. Morse:

In response to your phone call, this letter is an additional response to your requests for additional information, dated January 27, 2012 and February 10, 2012.

Your letters indicate that the Committee reported limited administrative expenses on the August, September, October, and November Monthly reports and the Year End Report. The Committee reported several administrative expenses, including salary, utilities, telephone, office supplies, etc. on all of these reports. The Committee has fully reported all expenses on each report and will continue to do so. The Committee did file the required Schedule H1 with the February Monthly Report and is accurately reporting expenses on Schedule B, Line 30b as well as on Schedule B, Line 21b and Schedule H4, Line 21a. Please note that the Committee previously answered this same question on August 22, 2011 and noted that the Committee would continue to report all activity accurately and completely. It is our understanding that this request for additional information should only be asked once during every two year cycle. This letter again clarifies that all activity is accurately and fully disclosed and will continue to be accurately and fully disclosed throughout 2012. The Committee does not disclose payments for Rent because the Committee has owned its building for many years and has not paid rent for several years and will not pay rent in the future.

Sincerely,  
Dan Herren
