On 2/3/16, 2/7/16 and 2/12/16 Mr. Joseph Desilets refunded charges of \$600, \$300 and \$200 respectively, that he and the PAC's founder felt were unwarranted and overcharged.

The refunds were done via web through the credit card collection vendor Anedot.

All parties involved believe that the overcharges have been resolved.

As the current treasurer, I have no personal knowledge of what charges were customary as I have not had the opportunity to review any agreements made between parties before accepting the position.

Respectfully,

Tom Bjorklund
