The Committee is in Receipt of the Commission's Request for Additional Information dated April 14, 2019 regarding the transfers and memo entries for the Senate Impact MT & AZ Joint Fundraising Committee reported on the combined 2018 disclosure reports as referenced by the Commission on the 30-Day Post-General Report (10/18/2018 - 11/26/2018). Please note that it appears that the Commission did not include the \$4,200 refund of transfer to the Senate Impact MT & AZ Joint Fundraising Committee on April 11, 2018 which reduces the total transfer amount to be less than the reported Memo Entries.

If you need further clarification please contact me at (602) 283-9858.

Sincerely,

Darryl Tattrie  
Assistant Treasurer
