Reference: Mid-Year Report (1/1/93-6/30/93)

Dear Ms. Oxendine:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to check the appropriate CATEGORY box for the payment made to several payees. Please amend your report to disclose the appropriate category.

-The beginning cash balance of this report should equal the ending balance of your 1992 Year End Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. The Act precludes a committee from receiving contributions from another political committee or a person in excess of \$5,000 per calendar year. 2 U.S.C. §441a(f)

The Commission notes your refund of the excessive contribution(s). Although the Commission may take further legal steps concerning the acceptance of an excessive contribution(s), your prompt action in refunding the contribution(s) will be taken into consideration.

-Your report discloses transfers made to the State Account which appears to be the non-federal account of your committee. 11 CFR §106.5 and 106.6 prohibits a committee's federal account from reimbursing its non-federal account for shared allocable expenses. Also, the non-federal account is prohibited from paying

the federal account's share of these expenses. These types of costs must be paid according to the allocation ratio derived from the appropriate method on Schedule H1.

If the transfers in question were incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §106.5 and 106.6 and establish procedures to ensure future compliance with allocation regulations.

Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
