This amendment is in response to the Commission's letter dated March 10, 2006. The Disbursements disclosed on Schedule B for 'Direct Mail Expense' are for federal fundraising for the Committee and do not represent any expenditures for public communication containing any express advocacy for any identified Federal candidate. Regarding the Committee's Best Efforts: The Committee's original solicitations for contributions include a request for contributor information, including, but not limited to their name, address, occupation, and employer, explaining in a clear and conspicuous manner that the Committee is required by law to both request this information and report the information that is provided. At the end of each month, the Committee mails a letter requesting the information for those individuals whose aggregate year to date contributions exceed \$200. This is in the form of a stand alone request that is accompanied by a self addressed envelope. Any information that is received as a result of the secondary requests is provided with amended reports submitted to the Commission. As part of the ongoing audit, the Committee will file amendments for the 2005 year with any additional information received as a result of its best efforts.
