Dear Mr. Stoetzer,

This letter is in response to the FEC inquiry dated September 29, 2014.

The previous treasurer for Conservatives Acting Together PAC did file a 48 Hour Notice on February 22, 2014, which was the due date for the Independent Expenditure referenced in your letter. Unfortunately, the 48 Hour Notice that was selected during filing was from the 2012 election cycle and not the Notice reflecting the expenditure in question. The expenditure was, however, reported on the April Quarterly report.

The PAC has filed the missing 48 Hour Notice, within a week of receiving your letter.

Sincerely,

David Satterfield
Treasurer
CATPAC
