nID:FCDD14323D

Dear Mr. Gibson:

oThis response is to answer questions raised by the Federal Election Commission's ("FEC") notification, dated July 3, 2002, regarding information reported on the above referenced report.

nIssue: - - Non-Federal transfers for joint activity

Response:L In a conversation the Committee had with Senior Reports Analyst

Angel L. Williamson on July 11, 2002 regarding the above the Committee was advised by Ms. Williamson that our previous response to this issue, as addressed in our letter of June 24, 2002, was complete and adequate and that no further action on our part was necessary.

On July 8, 2002, and prior to receipt of your July 3, 2002 notification, an electronic response of our June 24, 2002 letter was filed with the FEC. The Committee had previously been unaware of the requirement to file responses electronically rather than by a paper copy.

nWe hope this information sufficiently answers the questions raised regarding the Year-End Report. Please advise as soon as possible if any further action on our part is necessary.

uuuuuuuuuuSincerely,

uuuuuuuuuuChung C. Seto
