Reference: Amended October Monthly Report dated 7-17-05
Amended Pre-General Report dated 7-17-05
Amended Post-General Report dated 7-17-05
Amended January 31 Year End Report dated 7-17-05

Dear Brad:

The status of the committee's debts was changed in the last set of amendments that were filed. I don't know what happened, but some debts that were previously shown as paid off were appearing again as debts. I amended the October Monthly Report to reflect the payments correctly.

I am filing an amended October Monthly Report and an amendment for each of the three reports that were affected rolling forward.

Thanks,
Paula Mackey
