

This form 99 submission is in response to the Commission's letter dated October 9, 2007. In regards to the payment for ?Communications Consulting? on Schedule H4, the original report submitted by the Committee included additional text explaining that the payment was not for the benefit of any candidate for federal office. Due to a technical error, this note did not appear on the report reviewed by the FEC. This has been corrected and the report available for the public record includes the additional explanation.
