This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your report(s) was not signed by the treasurer or designated agent listed on your Statement of Organization (FEC Form 1). Please amend your report(s) by providing the signature of an individual that is authorized to sign the report(s). If a new treasurer has been appointed, please file an amended Statement of Organization or a letter (if not an electronic filer) to reflect this change. (52 U.S.C. §30104(a)(1) (formerly 2 U.S.C. §434(a)(1)) and 11 CFR §104.14(a) and (d))

- Schedule H4 discloses activity which is paid for with 100% non-federal funds. For future filings, please be advised that any activity which is financed entirely by the federal account (including administrative expenses), should be reported on Schedule B supporting Line 21(b). Any activity which is 100% non-federal and permissibly financed entirely by the non-federal account, should not be disclosed on the FEC Form 3X (11 CFR §104.10)

costs for generic voter drives and expenses related to public communications referencing any political party from their federal account, or allocate between their federal and non-federal accounts. Committees that choose to allocate these expenses must disclose the allocation ratio to be applied to each category of activity on a Schedule H1.

Schedule H2 is used by all political committees to report the allocation ratios of their joint federal and non-federal fundraising events and direct candidate support programs. Schedule H2 is filed with each report that discloses a disbursement for allocated activity. Schedule H3 is used by all political committees to report transfers received by the federal account from the non-federal account(s) to pay the non-federal share of allocable expenses.

Any expenditures made on behalf of both federal and non-federal candidates (including in-kind contributions and independent expenditures) must be allocated between your committee's federal and non-federal accounts. Schedule H4 is used by all political committees to report payments for allocable expenses. (11 CFR §106.1(a))

For your next filing, please refer to the instructions for each line and schedule when determining the proper categorization(s).

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
