Dear Mr. Jones:

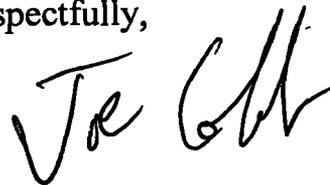

I have been struggling with the user-unfriendly FEC File software and I am not able to get it to validate this report. I know I am late but there has been nothing I can do about that. Please accept this copy.

The validation keeps telling me the FEC number is wrong for the Federal candidates we have donated to. I do not understand that, since I copied everything in the report from the database in the FEC File software.

You are not at work on this Sunday, and I must go out of town again so I cannot consult with you by phone.

Later this month, hopefully we can repair this problem.

Respectfully,
