

This filing is in reponse to the Commission's letter dated September 20, 2006 regarding the 2006 August Monthly report.

The organizations on Schedule A, supporting Line 17, were charged the usual and normal charge for the goods and/or services proved to them. Reciepts for Insurance Certificates and Shipping were direct cost items. The charge for Data Purchases and Voter File access is determined by a number of factors: First, the total cost charged to the Committee for the original data and data manipulation, Second, the average cost of similar data, Finally, the number of records accessed by the receipt organization.

Schedule H4 supporting Line 21(a) discloses payments for Health Stipend, Payroll, Payroll Processing and Payroll Taxes for certain individuals because these individuals did not spend over 25% of their compensated time on Federal activity.
