Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Line 6 indicates that "Dykema Gossett PLLC" is an affiliated committee. However, Commission records indicate this entity may be your sponsoring organization. Please be advised that "affiliated" committees are separate political action committees registered with the Commission that have been established, financed, maintained or controlled by the same person or group of persons, as defined for non-connected committees under 11 CFR §100.5(g). Further, there does not appear to be a separate committee registered with the Commission by the name of Dykema Gossett PLLC. Please amend your Statement of Organization to clarify the nature of your relationship with "Dykema Gossett PLLC".

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
