

This Form 99 report is being filed in response to the letter dated July 15, 2010 sent by the FEC regarding the FEC Form 5 report filed by Susan B Anthony List, Inc. on June 5, 2010. Specifically, the letter notes that the total itemized contributions on the report are less than the total amount of independent expenditures listed on the report. The amount of itemized contributions do not equal the total amount of independent expenditures because general treasury funds were used. Only designated contributions were reported. FEC regulations require that only contributors that make contributions "for the purpose of furthering the reported independent expenditure" must be identified. 11 CFR 109.10(e)(1)(vi).
