FEC FORM 3X (Rev. 12/2004)

A. Form/Schedule : **F3XA**

Transaction ID :

This letter is to address the items on the FEC letter dated 12/20/10. Item 1: On Sched. A, the aggregate y-t-d totals refer to the donor's contributions to CFG PAC, not to any candidate or committee referenced in memo entries. The FECfile software does not allow us to edit this field and all the data was imported in the format shown on the instructions for the FECfile software. Item 2: In a previous submission to the FEC on 12/21/10, the Club responded to the issue of a missing 48 Hour notices explaining a misunderstanding of what triggers the \$10K threshold. This missing report has the same issue. As mentioned we were under the impression a 48 Hour Report was not yet necessary as we did not have \$10K in un-reported transactions toward this race. You have now informed us that we have misunderstood the rule and have asked that we file the 48 hour report which include activities previously reported and are doing so at your request. We will take appropriate steps to ensure this does not happen again in the future. Item 3: The transactions in question here actually refer to the GA-9 Special-Runoff Election held on 6/8/10. The FECfile software does not give the option of listing transactions with this election type, as the closest options were Special-General or Runoff. After speaking with Ms. Sinram, it was recommended we change the election type of these transactions to Runoff.
