Reference: Year End Report (7/1/93-12/31/93)

Dear Mr. McMaster:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your calculations for Line 7 appear to be incorrect. FEC calculations disclose this amount to be \$108,747.41. Please provide the corrected total on the Summary Page.

-Your calculations for Line 8, Column B, appear to be incorrect. FEC calculations disclose this amount to be \$503.07. Please provide the corrected total on the Summary Page.

-Your report discloses limited payments for administrative expenses. Each committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses between the accounts in proportion to the BALLOT COMPOSITION METHOD derived from FEC Schedule H1. See 11 CFR §106.5(d)

(By checking the appropriate boxes on the Method of Allocation Schedule H1, committees calculate a federal allocation percentage based on the ratio of federal offices expected on the ballot to total federal and non-federal offices expected on the ballot in the next general election. The Schedule H1 must be filed with the first FEC FORM 3X submitted each year.)

In addition, Schedules H3 and H4 must be filed to properly allocate administrative costs between accounts on reports filed during the year. Please refer to 11 CFR §§106.5 and 104.10(b)(1).

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this
