Re: Mark Greenberg for Congress
ID Number C00493395

Dear Ms. Grainger:

Pursuant to your letter dated December 11, 2014 (copy enclosed), we have electronically filed an amended Form 3 for the Post-Election period in order to correct the effective date of contributions totaling \$5,200 from Robert G. & Micki Friedman.

While we would normally record a contribution on the date the contributor's check was mailed, this particular check, coming from out-of-town, arrived after the required 48-hour reporting deadline. While the check was dated October 22, it was not postmarked until November 1, and was not received until November 5. Given that we had no advance notice of these contributions arriving, we were unable to notify anyone of its coming prior to the election date of November 4.

Therefore, our intention had been to report these on the date of receipt, November 5. However we inadvertently used the check date of October 22 on the original filing. Furthermore, it should be noted that Robert G. Friedman's address was also reported incorrectly, as he was confused with another Robert Friedman in NYC.

Please do not hesitate to contact me if there are any further questions.

Sincerely,

J. Kenneth Nowell, CPA
Treasurer, Mark Greenberg for Congress

Response Due Date

01/15/2015

IDENTIFICATION NUMBER: C00493395

REFERENCE: 30 DAY POST-GENERAL REPORT (10/16/2014 - 11/24/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. (11 CFR § 104.5(f))

If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1171.

Sincerely,
