Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report (see attached) discloses one or more receipts from an organization, which is not a political committee registered with the Commission, for the apparent misdeposit of contributions not originally intended for your committee's federal account. Please be advised, contributions deposited in a federal account must meet the following conditions: the contributions are designated or expressly solicited for use in connection with federal elections and contributors are informed that their contributions are subject to the limits and prohibitions of the Act. 11 CFR §102.5(a)

The Commission notes the refund of the misdeposited funds disclosed on your 12-Day Pre-Primary Report (1/1/16 – 4/6/16). Although the Commission may take further legal action regarding the misdeposited funds, your prompt action will be taken into consideration.

2. A review of the reports filed by your committee indicates that your committee received one or more contributions from "MARIJUANA POLICY PROJECT PAC" and "HUMANE SOCIETY LEGISLATIVE FUND POLITICAL ACTION COMMITTEE" which has not been disclosed on their reports of receipts and disbursements. Please clarify if the contributions were received from the disclosed donor's federal account and amend your report(s) if necessary.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1136.
