Reference: April Quarterly Report (1/1/10 – 3/31/10)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following items:

-The beginning cash balance of this report should equal the ending balance of your Year End Report (10/1/09 – 12/31/09). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Refunds of contributions made to Federal candidates and committees should be properly disclosed on a separate Schedule A, supporting Line 16 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
