Dear Katrina Senger,

Please be advised that the committee is paying for its voter registration expenses in the following manner as previously directed by the Federal Elections Commission. The committee pays the federal share directly out of the federal account and pays the nonfederal or Levin share directly out of the nonfederal or Levin account.

The transfer on Line 22 in the amount of \$6562.55 transferred to our non federal account represents a corrective transfer to reflect previously voided checks that were reported on the H4 of past reports.

Sincerely,

Douglas R. Boyd
California Republican Party
