Dear Ms. Larkin:

This letter is in response to your request for additional information, dated March 13, 2009.

The Committee was following the instructions from the Reports Analysis Division with regard to these descriptions. The Committee could not be more clear in indicating that these expenses, PAC Fundraising Consulting/Catering, PAC Fundraising Consulting/Parking were expenditures for the PAC, not for any other federal candidate or committee. The Federal Election Commission has specifically directed federal Political Action Committees to place the word PAC in front of all expenses for the PAC on disclosure reports. If the regulations have changed, please provide the Committee with the specific regulations related to these reporting policy changes.

Sincerely,

Lisa Lisker
Treasurer
