Re: Year End Report

Dear Mr. Rebollozo:

We are in receipt of your letter dated March 20, 2018 regarding the above referenced report for the Cincinnatus PAC (C00574228).

Regarding Item 1, the committee mistakenly entered the wrong date on the \$2,000 contribution from Ronald Joseph originally dated 1/3/17 on the July 31 Mid Year Report (1/1/2017 - 6/30/2017). This \$2,000 contribution was actually dated 12/27/16 and should have been reported on the January 31 Year End Report, which covered 11/29/16-12/31/16. The January 31 Year End Report has been amended to disclose the \$2,000 contribution from Ronald Joseph on 12/27/16, not 1/3/17. The July 31 Mid Year Report has also been amended to reflect this and the \$2,000 contribution dated 1/3/17 has been deleted. Ronald Joseph still over contributed \$100 in 2017 and the committee has refunded the \$100 excess contribution. A copy of the check has been mailed to your office via certified mail. We will show the corrective action we took in the April 2018 filing.

Regarding Item 2, the committee has done its due diligence to verify that the contributions from the unregistered political committees were received from federally permissible funds. Because the contributions received were permissible, no corrective action has been taken.

Regarding Item 3, the committee has done its due diligence to verify that the contribution from HBI-PAC was received from the donor's federal account. Because the contribution received was permissible, no corrective action has been taken.

Regarding Item 4, the committee has reached out to the donor and confirmed that the contribution was permissible and the donor will be amending their report to reflect that.

REFERENCE: YEAR-END REPORT (07/01/2017 - 12/31/2017)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 4 item(s):

1. Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. Please be advised that 52 U.S.C. §30116(f) (formerly 2 U.S.C. §441a(f)) and 11 CFR §§110.1(d) and 110.2(d) prohibit a committee and its affiliates from receiving any contribution from another political committee or person in excess of \$5,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution

of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

2. Schedule A of your report (see attached) discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 52 U.S.C. § 30116(f) and 30118 (formerly 2 U.S.C. §§441a(f) and 441b) or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

To the extent that your committee has received prohibited funds, you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a

refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. (11 CFR §103.3(b)(1))

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

3. A review of the reports filed by your committee indicates that your committee received one or more contributions from "HUNTINGTON BANCSHARES INC. POLITICAL ACTION COMMITTEE (HBI-PAC)" which has not been disclosed on their report(s) of receipts and disbursements. Please clarify if the contribution(s) was received from the disclosed donor's federal account and amend your report(s) if necessary.

4. A review of the reports filed by your committee indicates that your committee received one or more contributions from "UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL UNION ACTIVE BALLOT CLUB" which has been disclosed on their report(s) of receipts and disbursements as a contribution for the non-federal account (see attached). Please be advised, contributions deposited in a federal account must meet the following conditions: the contributions are designated or expressly solicited for use in connection with federal elections and contributors are informed that their contributions are subject to the limits and prohibitions of the Act. 11 CFR §102.5(a)

If any apparently misdeposited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If the contribution(s) received was misdeposited into the federal account, you may have to make a refund. If within 30 days of receipt you (1) transferred the

misdeposited amount to an account not used to influence federal elections, and (2) provided a written notice to the committee making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the misdeposited amount must be refunded. (11 CFR §103.3(b)(1))

Please clarify if the contribution(s) received from the disclosed donor's federal account was permissible. If the contribution was intended for a non-federal account, please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer-out or refund. Although the Commission may take further legal action regarding the misdeposited funds, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For additional information about the report review process or specific filing information for your committee type, please visit the Reports Analysis Division's Frequently Asked Questions on the FEC website. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1136.
