

This Form 99 is being submitted in response to your inquiry by letter dated March 14, 2008, to Kevin Tracey, treasurer of the Dorsey National Fund re: Year End Report (7/1/07-12/31/07). As we have discussed via telephone with Mr. Daniel T. Buckley of the Federal Election Commission, the Dorsey National Fund has disclosed administrative expenses for 2007 in the amount of \$90 per quarter (shown as a debt/obligation of the Dorsey National Fund on Schedule D). Note that these expenses had been accrued, but not yet paid (so not showing as a disbursement), as of the date of our Year End Report. Included in this \$90 per quarter are amounts attributable to rent, utilities, telephone service, office equipment and supplies. The only salaries are included as exempt legal and accounting fees reported by the Dorsey National Fund. Please note that we are implementing a new policy to pay these administrative expenses as they are accrued each quarter. We hope this information is responsive. If not, you may contact Lynnette Slater Crandall at 612.343.8288. Thank you.
