This Form 99 Miscellaneous Report is being filed in response to the June 6, 2013 letter from the FEC in connection with the Year-End Report (11/27/12 ??? 12/31/12) filed by Pfizer Inc. PAC. Specifically, the letter notes that certain contributions made by Pfizer Inc. PAC designated for debt retirement went to committees that had insufficient debts to warrant such a contribution. After receiving the letter from the FEC, Pfizer Inc. PAC either confirmed with the FEC that the committee did have debts sufficient enough to warrant the contribution or requested and received a refund of a contribution. Two contributions remain in question: a \$1,000 contribution to Gloria Negrete McLeod for Congress and a \$1,000 contribution to Alan Lowenthal for Congress. A contribution from Pfizer Inc. PAC in the amount of \$1,000 designated for 2012 general debt retirement was received by Gloria Negrete McLeod for Congress on December 11, 2012. The Post-General report filed by Gloria Negrete McLeod for Congress on December 6, 2012 showed debts and obligations totaling \$25,132.22. The Year-End report filed by Gloria Negrete McLeod for Congress on February 1, 2013 showed that the committee still had a debt in the amount of \$11,735.22. An amended Year-End report filed in July 2013, showed that the committee had debts totaling \$14,017.16. A contribution from Pfizer Inc. PAC in the amount of \$1,000 designated for 2012 general debt retirement was received by Alan Lowenthal for Congress on December 10, 2012. The Post-General report filed by Alan Lowenthal for Congress on December 6, 2012 showed debts and obligations totaling \$9,523.75. The Year-End report filed by Alan Lowenthal for Congress on January 31, 2012 showed that the committee still had a debt in the amount of \$1,457.12. Based on the information contained in the reports filed by Gloria Negrete McLeod for Congress and Alan Lowenthal for Congress, both committees had sufficient debts at the time the contributions were made by Pfizer Inc. PAC to warrant the contributions being designated for 2012 general debt retirement.
